Dear Lakshman,

I attach copy of the letter sent to the Bishop. I will follow up on this matter and try to arrange a meeting to discuss the issues. In order to facilitate a discussion, I would suggest that you prepare a summary of the important issues and deficiencies eg. Financial irregularities, with a few of the reported incidents as examples.

I wish to thank you again for the honour you have given me and the other two teachers by inviting us for the get-together, for the opportunity given of meeting our former pupils, and for the wonderful time we had on this occasion (including the tantalizing cabarets). Please do not hesitate to contact me for any assistance your Group requires from me.

Kind regards,

Yours Sincerely
