

A LITTLE BIRD WHISPERS.....

THOMIANS USE NEW TACTICS TO DEMORALISE ROYAL

All,

This is how we STC have now mounted our campaign against our old rivals. We plant the sons of ex-Thomians amidst your midst without you knowing we did. We had Prof.Lakshman Watawala's son with you(our former Head Prefect etc.,Judge SPK Ekaratne's son and now Rambukwella's son). This is a long term stragey of ours to infiltrate and make you guys 'rotten' See the results of our work. It's paying 'dividends' for us now.
