Tan F M (1961-1963)	<p>Was in De Saram Junior. Is now in touch with us, thanks to information sent by A M (Nimal) Gunaratne of Orange Estate, Aiwela Bibile (Courtesy of an entry in the latter's Autograph Album made over 45 years ago.)</p> <p>After leaving Sri Lanka in 1969 for Hong Kong, he had worked in an electricity supply company for twenty odd years. With the political uncertainty of the handover from British sovereignty to China in 1997, his whole family emigrated to Canada in 1994. He had been working part-time in temporary jobs. He says that the economy in Canada isn't good, and the taxes, one of the highest in the world have to be experienced to be believed.</p> <p>Tan as those of us in De Saram Junior will recall, gave us our first dose of Chinese Linguistics by his Monologue during his Manchurian Dreams from an upper bunk in our Dorm until somebody threw a pillow. For those who wish to contact him, his name is in our Directory which is on the Net and for those who have no access (this is copied on to Newsletters that are posted from our Secretariat to Sri Lankan and Foreign addresses too) is as follows: E-mail : fmtan@telus.net</p> <p>We hope this will enable Tan's Fan club to keep in touch with him. We are aware that several of our contemporaries are communicating with him. Tan has 03 sons one of whom married recently. Those interested can access his son's marriage web site http://www.emp818.com. We are sure that all will find this site interesting.</p>
